Letter No:EMR/2014/000289/5, dt.04-01-2015

PROJECT STAFF WANTED

Applications are invited for one Junior Research Fellow for the DST-SERB Project entitled “Synthesis and Screening of Novel Lamellarin Analogues as Potential Agents Against *Mycobacterium tuberculosis*”.

Eligibility: M.Pharmacy (Pharmaceutical Chemistry/Biotechnology); GPAT qualified candidates with prior experience in synthetic organic chemistry(academic or industrial)will be preferred.

Stipend: 25,000/- + 15% HRA

The position is purely temporary and the selected candidate should work on full-time for a period of 3 years(or till to the end of the project whichever is earlier) to the satisfaction of the PI. The selected candidate should be willing to do rigorous lab work.

Interested candidates submit their applications with detailed bio-data along with attested copies (scanned) of necessary certificates via email to drmmkau@gmail.com or before 18-01-2015.

Date and time: 21-01-2015, 11AM

Venue: Chamber of the Principal, AU College of Pharmaceutical Sciences, Andhra University, Visakhapatnam.
